Main Thread silk U212 tripod deluxe ?? Spirit Hawk Loc: Michigan, Alba side have one ,, is very strudy ?? with a panoramic head and pin type meters for the camera ... I do not like ?? I can get a different head Pan or better fit lik a arcu Swiss-type ?? Greetings Ron Richj207 Loc: Sammamish, WA story interesting post ... Old Timer Loc: Greenfield, In. Most tripods can have the heads change easily. Screw heads on both 1/4 20 or a 3/8 thread, if your new head is 3/8 as some heads you can get an adapter from 1/4 to 3/8 so you can connect them. Heavy heads are usually 3/8 and some light duty tripods are 1/4 here the need or adapter. Spirit Hawk Loc: Michigan, Alba Discovered the U212 has a head not removebal, so that I have to look to get a new series of leggings? Greetings Ron Richj207 Loc: Sammamish, WA If you go to Slikusa.com and look at the manual of this tripod, you will see that they describe the removal of the head. They also The head as a separate part. Other websites show video removal videos. Lock the central pin and rotate it out counter-clockwise looking down on it. Cwilson341 Loc: Central Florida Ron, I have a Slik U212 with a new Manfrotto head I recently installed without problems. For some reason, also, thought that could be replaced, but my husband has changed without much effort. Due to the post Mount, you can actually change whose axis is where. The two axis single handle controls while the lock-down mail lever allows rotational control of this axis. Billnourse Loc: Bloomfield, New Mexico Spirit Hawk wrote: Ok got the head pan off ?? 1/4 of prisoner ,, now the ball with a bow with the bow swiss clamp .. ?? Roni cheers just received a Benro V2e ball head (26 # load) that I like a lot. It has a Swiss ark clamp and is supplied with a 60mm plate and the reducer screw to convert its screw hole to 1/4 "3/8". If you don't need something heavy, the V0E (17 # load) would be a good choice.bill if you want to answer, then register here. Slikabout This ItemWe will view accurate product information. The producers, suppliers and others offer what you see here, and we have not verified it. Slik U 212 DX Tripodtheã, U212 Deluxe, is a tripod for all uses. Features include rectangular legs that maintain torsion resistance and retractable peaks for all the uses of the ground. Every angle of leg can be individually adjusted to compensate unusual surfaces and soil level strokes. Control of the central column voltage oriented only the right support to vary weight video cameras, and a bubble level establishes precise vertical positioning. A special threaded mail assembly without tip on one leg is ideal for the small corner of photography. For shooting vertically with telephoto lens or zoom lenses, a camera locking torque provides a narrow camera to the tripod that prevents camera slipping.BrandsLikManufacturer Part Number: 212DXManufacturerSlikassembled Product size (L x L x H) 63.00 x 8.00 x 8.00 Inchifotomer Q & AGET Specific details about this product from customers who have its own elements it.Walmart PlansTM protection come with a guarantee of a limited manufacturer.
